FROM :

[REDACTED]
Assistant Legislative Counsel

SUBJECT :

House Permanent Select Committee on
Intelligence Requests

(S) Below are several requests made by the House Permanent Select Committee on Intelligence. Your efforts to obtain quick responses will be greatly appreciated. While some of them are new, others are presently outstanding. Thanks in advance.

a. Files on U.S. Citizens: In January 1975 we were instructed not to destroy them (this particularly in reference to CI Staff files). Apparently there has been a subsequent instruction by someone not to destroy them. Loch Johnson has asked who so instructed us and why.

b. Report on CIA [REDACTED] Activities: 15 September - 3 November 1970, dated October 18, 1970. The Senate Select Committee on Intelligence has a copy of it and Loch Johnson read it in their offices. He would like a copy - with particular reference to our alleged briefing of Time magazine.

c. A complete collection of Perspectives since January 1975. I believe that [REDACTED] is preparing this package for forwarding to OLC through [REDACTED]
